The Mission of the Month (blue envelope) for September is the National Center for Healthy Veterans, a faith-based organization that helps military veterans who have served their country recover from trauma and successfully transition back into civilian life. With the help of the center they can achieve their career goals and become productive members of society. The veterans live and work on a rural farm in Virginia.

The center serves at-risk veterans and helps them avoid destructive behavior by offering mental health, counseling, and other services.
 If you would like to help the National Center for Healthy Veterans, please use one of the blue Advance offering envelopes in the pews and place it in the offering plate. You can also send a check to Newtown UMC, 35 Liberty Street, Newtown, PA 18940. Please mark your check "Advance for September."
